All learners must report to school at 7:50 on the days they are writing, and will be dismissed straight after their exam paper. All rules regarding appearance and dresscode apply as normal. They must report 30 min before the start of the second session, when not writing in the first session.

There will be a study venue available for students that can not study at home on block days. Learners that must wait for transport after their exams can report to Lab 25 to study.

Wednesday, 12 June will be a normal school day for learners to check scripts.
